

# SPRING DEEP CLEAN CHECKLIST

## DEEP DUSTING & VACUUMING

- Vents, fans, baseboards, ceilings and corners
- Underneath and behind furniture
- Underneath and behind couch cushions
- Inside drawers and cabinets
- Clean all light fixtures and window coverings

## WINDOWS + DOORS

- Wash glass and screens
- Clean out window wells and slider tracks

## FLOORS

- Shampoo carpets and area rugs
- Scrub and mop all hard surface floors

## BED & BATH

- Clean in and around every surface - tub, toilet, sink, etc. Use brush to scrub out grout and clean hair and detritus out of drains
- Launder/replace mattress pads, duvets, pillows and blankets
- Launder/replace linens, towels (if you are providing)
- Launder/replace bath mats, rubber shower mats and shower curtains

## APPLIANCES

- Run clean cycles on washer and stove
- Make sure dryer vent and exhaust are clear
- Clean AC vents (for portable and window units) and make sure they are free of mold/mildew
- Empty vacuum
- Clean inside all major and small appliances - empty toaster of crumbs, wipe out fridge drawers, etc.

## OUTDOOR

- Sweep decks, porches, outdoor showers
- Pressure wash surfaces as needed to remove lichen, mildew
- Deep clean grill (remove ash, burn off grease, scrub grates)

## GENERAL - REMOVE CLUTTER

- Clean out kitchen cabinets, drawers, dressers and closets. Tidy electrical cords.
- Remove personal effects (family photos, etc.)

**General Note:**  
*Please address musty odors, mildew and mold, and any sign of pests as far in advance of the season as possible. Set up an account with a local pest control expert such as Fowler's. Install dehumidifiers, deep clean any contaminated areas with bleach or ammonia solution, and address any leaks immediately.*
